CHILEAN AROUSES ROOSEVELT'S IRE

Clash on Account of Divergent Views on Monroe Doctrine.

IS NOT A DEAD ISSUE.

Demonstration Follows the Friction And Becomes Theme for Considerable Comment.

Washington, Dec. 22.—Members of the diplomatic corps, especially representatives from the South American countries, were greatly interested in a report reaching Washington that Former President Roosevelt and Dr. Marcial Martinez, at one time Chilean minister to the United States, had clashed on account of the divergent views on the Monroe doctrine. The Chilean is reported to have strongly dissented from the Roosevelt view that the much-discussed doctrine still is a vital issue.

The reported debate attracted unusual interest here, because both of the prepared speeches were reviewed before delivery by the Chilean foreign office. Dr. Martinez, it was said tonight at the Chilean legation, was selected as the spokesman of the Chilean government at the state reception given the American visitor recently at the University of Santiago, because of his warm friendship for the United States. He is one of the oldest and most eminent Chilean diplomatists, and made many lasting friendships during his tenure as minister here many years ago.

In his address at the Roosevelt reception, Dr. Martinez dealt with the Monroe doctrine, characterizing it as a dead issue, and arguing that the conditions which give rise to its promulgation by President Monroe in 1823 have almost entirely disappeared. This statement is said to have aroused the ire of Colonel Roosevelt, who replied with some heat, holding that the Monroe doctrine still was a vital principle of the foreign policy of the United States. He is said too, to have suggested to the Chilean diplomatist, incidentally, that it was ill advised on such an occasion to inaugurate a controversy.

Nothing official has reached the Chilean legation here concerning any phase of what diplomatists are inclined to consider a delicate situation.

"It is true that the legation passed upon Colonel Roosevelt's Santiago speech," said Senor Don Eduardo Suarez, Chilean minister tonight. "After reading the speech I had it translated into Spanish and forwarded it to the foreign minister, Senor Enrique Villejas. I understood that Colonel Roosevelt's speech in Rio de Janeiro and Buenos Aires likewise were submitted to the Brazillian and Argentine Foreign Offices, as those addresses and the one delivered in Santiago were to be his principal utterances during the South American tour.

"I cannot understand how an issue could be raised between Colonel Roosevelt and Dr. Martinez, since the latter was selected to speak in behalf of Chile on account of his well-known sympathy with the ideals of the United States."

It is said that at the conclusion of the Roosevelt reception, a demonstration against the American visitor was made by a small clique of Contral American students. The story goes that as the Colonel left the University the students shouted "Vive Colombia!"

This incident, however, is understood, in no way to have presented the general feeling of the populace.

NEWS OF THE DAY

Pursued by a hundred passengers through seven cars of a subway train in Brooklyn, last night, a youth suspected of being a pickpocket, leaped from the platform of the eighth and last car when he was about to be seized and was crushed to death against a pillar of the tunnel.

Japan has decided to inaugurate a steamship service, with its terminus at Boston, by way of Panama. The steamers will call at New Orleans and New York.

The commissioned officers and many sergeants and corporals of the Tenth batallion of the federal garrison at Guaymas, Mexico, were executed at sunrise Saturday in that city. Officers and men of the Tenth were disarmed several days ago by Gen. Ojeda, federal commandant, when the discovered they were plotting to desert to the insurgents.

Cannibals in Neumecklenburg, an island in the Bismarck archipelago, near Australia, have massacred and eaten Dr. Deiniger and another German scientist, together with fourteen natives who accompanied them.

Gas fumes killed two girls in the bath room of an Epiphany street house, Pittsburgh, Pa., yesterday afternoon. The victims, Bertha Supowitz, 14, and Rose Rogow, 13 years old, of 208 Elm street, were found dead when the mother of the former broke open the door early yesterday morning. The girls were helping the brother of the Rogow girl place furniture in the house into which he had only moved Saturday. Gas fumes escaped from a water heater and aspyxiated the girls before they could call for help.

Trailed by three automobile bandits who followed a trolley car aboard which he was passenger for more than a mile, D. E. Christian, a wealthy contractor and politician, of Cleveland, O., was beaten into insensibility and robbed after he had alighted from the car early yesterday near his beautiful home in Lakewood. Because he offered resistance the three men battered him terribly.

With the laying off of 4,500 men by the Westinghouse factories and 1,500 from the Jones & Laughlin (independent) steel mills and with smaller Pitsburgh, Pa., industries about to cut the working hours and in some instances shut down altogether, industrial conditions in the Pittsburgh district again are precarious. Although some of the concerns say that orders effective the first of the year will stimulate business, the general outlook is not regarded as bright. Some of the mills of the United States Steel Corporations, especially at Farrell, Pa., have been cutting hours of operation. Hundreds of skilled workers in the Pitsburgh district have begun to seek other fields only to find, according to reports, that most of the larger industrial centers of the country are in much the same condition.

A motor launch has just arrived at Manaos, with refugees from the rubber colony of the Teritori de Amazona ,Venezuela, telling of 173 murders there in the last few months and confirming stories of atrocities brought here by Michael J. Gilleran, an American refugee, who had been ordered to be shot and who escaped in a canoe, making the trip here through several hundred miles of the Rio Negro. The latest crimes include the murder of eight women and four young girls in the rubber territory between San Fernando de Atabapo, on the Orinoco, and San Carlo de Rio Negro. It is believed here that they were put to death because it was feared they would escape and spread to the world the news of horrors being committed there daily.

What is believed to have been a deliberate attempt to assassinate the Rev. Dr. R. E. McClure, pastor of the Blairsville, Pa., United Presbyterian Church and president of the Indiana county Antisaloon League, failed Saturday night, when a bullet fired at the minister penetrated a Bible, which he carried under his arm, and made a slight abraison upon Dr. McClure's left side. The authorities are searching for two men, one of whom fired two shots at the clergyman and droped his hat in escaping.

CHALONER TO GIVE HALL TO RICHMOND

Tells Audience He'll Erect One When Court Turns Loose His Money.

MODEST ONE AT FIRST.

Will Imitate on Small Scale in State Capital What Peter Cooper Did for New York.

Richmond, Dec. 22.—Just as soon as the courts restore his property, John Armstrong Chaloner told his Rex Theatre audience last night, he will present to the city of Richmond a public hall to be used as a forum of public discussion—the building to be supplied from his own purse with light, heat and attendance.

The approach of Christmas and the advent of the gift-giving season, said Mr. Chaloner, prompted him to disclose at this time a plan which he has cherished for a long time. He made the announcement, he said, with much difference, but felt that personal predilections should at this season give way to altruistic motives.

As a starter, Mr. Chaloner proposes to erect a hall of modest size to seat about 300 or 400 people. It will be centrally located, where it can be reached conveniently. As the town and the audiences grow, he said, the hall may be either enlarged to meet the new demands upon it, or sold at a profit and a larger site purchased.

In a general way, said the speaker, he proposed to do so for Richmond what the philanthropist, Peter Cooper, did for New York in founding Cooper Institute. The establishment of the hall in Richmond, he hoped, would afford opportunity for a practical experiment in the workings of the Richmond Mass Meeting Club, which has for fifteen months met fortnightly to hear his lectures at the Rex.

Mr. Chaloner lamented circumstances which prevented him from pushing the Mass-Meeting Club experiment to the success it bids fair to attain with $1,500,000 back of it.

"But now that all signs point to my becoming an actual instead of a potential millionaire in six months or so," said the speaker, "and since Christmas is upon us, it strikes me as high time that I was confiding to an anxious world—a world always agog to hear the latest about 'Who's Looney Now' his joys and sorrows, his hopes and tears—what 'Who's Looney Now' proposes to do with his handsome income. He has already safely safeguarded the principal from the prehensile palms of his rich but insatiate relatives by deeding it body and soul—corpus and equity—through the States of Virginia and North Carolina, to their great universities, not forgetting substantial legacies to other leading educational institutions in Virginia and the Carolinas."

Mr. Chaloner declared his intention to devote his income to two purposes and two only—the Richmond Mass-Meeting Clug and its future, and to Christmas presents for Richmond children whose parents are not financially able to assure them the presents themselves.

PAYMASTER KILLED.

North Carolina Militia Ready to Protect Negro.

Raleigh, N. C., Dec. 22.—In Polk county a few days ago, a negro named Duprie shot and killed a white man named Mack Brown and the acting governor of the state, Lieutenant-Governor Daughtridge has instructed the military companies at Lumberton Bridge to hold itself in readiness to assist Sheriff Lewis, of Robeson county, if necessary to protect the prisoner. At last accounts Duprie had not been apprehended.

Brown was paying off workmen. Duprie is alleged to have been insolent in his conduct, whereupon Brown knocked the negro down.

Duprie later concealed himself and shot a load of buckshot into his victim who died within half hour.

Classes of St. Mary's Academy Show Result of Study.

A very creditable collection of China painting, the work accomplished by the art class since September is on exhibition at St. Mary's Academy. China of various kinds from an elaborate article for the dressing table are to be seen, the amount of work and variety of design reflecting credit on the teacher and her students.

Among the best pieces shown are the following: Pitcher richly decorated in grapes, by Mrs. Jacob Brill; fish-plater, with lake scene, Miss Lillian Hill; vase in roses, Miss Nannie Nevitt; toilet service of four pieces, Miss Annie Ewald; entree dish in pink roses, Miss Theresa Waters, of Washington.

DEATHS FROM VOLCANO.

Five Hundred Natives of New Hebrides Perish.

A dispatch from Sydney, New South Wales, says incoming steamers bring terrible details of the recent volcanic eruptions on the island of Ambrim, in the New Hebrides group, in which 500 natives lost their lives.

Witnesses of the disturbance describe it as having been so sudden and violent that they expected to see the whole western side of the island disappear.

With a terrific roar, which was followed with a rapid succession of artillery-like detonations, all the craters of the volcano entered into full activity, spouting flames and lava, and throwing out huge boulders.

Great streams of lava soon were rushing down the slopes, cutting off the villagers from escape. In one instance two torrents of the molten mass joined and made an island of one entire section of a village. Here 50 or 60 persons perished.

The scenes at night were awe-inspiring. Flames shot into the air to a height of a thousand feet, illuminating the whole zone of destruction. The ocean seemed to boil as huge superheated masses of stone fell into the sea and streams of lava poured into the bay.

Dust from the craters gradually formed a cloud which blotted out the stars. The bay, after the eruption, was filled with dead fish and large numbers of dead turtles. The water in the river was hot.

The British hospital buildings were wiped out, but previous to their destruction the doctors pluckily removed all the patietns to a launch and escaped with them.

REBELS TRAIN GUNS ON CITY OF TAMPICO

Reinforced in Men and Artillery They Will Renew Attack Today.

WARSHIPS AT SCENE.

The rebels are reported to be in possession of all the country around Tampico, heavily reinforced in men and artillery and were said to have already, begun their advance on the town.

The decisive defeat of the Government party by the workingmen's—modified socialists—party in yesterday's municipal election is regarded as highly significant of growing discontent against the Huerta government. The election was to name members of the city council and the workingmen won by a huge majority.

Carlos Peralta, chairman of the council and a government man demanded that notwithstanding the result of the balloting the seats should be equally divided. The workingmen leaders refused this but were forced to give up several seats. They still retain a majority.

While he was waiting for an edition of an afternoon paper, for which he is a newsboy, he was in the alley. A vehicle being driven through, caused the boy to step aside to avoid it. As he did so he stepped into the shaft, falling a distance of nearly ten feet.

The city ambulance was called, and the boy was taken to the hospital, where an operation was performed in an effort to save his life.

COMPROMISES REACHED ON BILL

Senate and House Conferes Agree on Currency Measure Today.

SOON TO BECOME LAW.

President Wilson Expected to Sign Bill the Moment it Reaches Him at the White House.

Washington, Dec. 22.—With an agreement reached by the House and Senate conferes on the currency bill at an early hour this morning, the prompt passage of the measure through both houses is assured and following that signature by the President.

Nothing seems likely to arise at the eleventh hour which will long delay adoption of the conference report. The currency bill will be a law before Christmas. It is a possible to have the conference report rushed through both houses and signed by the President Tuesday.

Just when the measure will be finally disposed of depends on the question of how much time is taken in discussion of the conference report. The fact the conferees struck out the provision for guarantee of bank deposits is a cause of much dissatisfaction to many Senators as well as numerous House members. When the conference report is taken up, it is likely there will be strong expressions of disapproval with respect to this change in the Senate bill.

Some of the other features of the report will call for objections but the indications are there will be protracted debate such as to delay final action for many hours.

The principal compromises agreed upon by the conferees include, in addition to the elimination of the guarantee plan:

Rejection of the provision permitting use of Federal reserve notes as reserves by member banks, attacked in the House as likely to cause inflation.

A new section for retirement of out-standing Government 2 per cent bonds.

Secretary of Agriculture removed from Federal reserve board.

Senate provision for "not less than eight or more than twelve" reserve banks approved.

Minimum capital stock of regional reserve banks made $4,000,000.

Federal reserve board members to be chosen according to financial, as well as geographical, divisions.

Gold reserve behind new currency notes to be 40 per cent.

Members of Federal reserve board prohibited from becoming officers of member banks for more than two years after retirement from the board.

When the war broke out he joined the Army of Northern Virginia, enlisting in the Fifth Virginia Cavalry. He served under General Rosser. Later he was detailed at the great cavalry leader's request to act as the personal courier of General Stuart, under whom he served to the end of the war.

Mr. Saunders was one of the squad which fired upon and killed General Oahlgren, when he rode down alone to attack the men as they were defending a barricaded bridge. He was shot as he turned to call his men to follow. Mr. Saunders always said that he did not fire when the Federal general was killed.

Mr. Saunders was distinguished by his gallantry all through the war.

ACCUSED DISMISSED.

A man who gave his name as John Wesley Jackson was brought into the Police Court this morning to answer the charge of non-support preferred by his wife. He was represented by Robinson Moncure, and the wife by Walter U. Varney. According to the statement of the complainant Jackson had left the woman and children to the tender mercies of his mother-in-law in North Carolina. The wife with her children later came to Alexandria accompanied by her mother where the wife secured employment. Later Jackson appeared here and also secured employment. Justice Caton dismissed the charge, as the abandonment of the woman was an act committed in another state, and, according to the Virginia law, the family was not left destitute, as it was shown they were not a public charge nor liable to become such.

Government engineers are now surveying the roads and work will be commenced on their construction as soon as the weather permits.

MINUS FIVE DOLLARS.

A white man named Mills, while in the northeastern section of the city yesterday, gave a negro named Jacob Brooks a five-dollar-bill for the purpose of buying whisky. After waiting a reasonable time for the negro to reappear with the liquor and change, Mills became convinced that he had been buncoed and having reported the matter to the police, Officer Bell took Brooks in charge to answer for alleged larceny. The accused was brought before the Police Court this morning when he said he turned the money over to another negro who was to procure the liquor. Justice Caton dismissed Brooks, stating that Mills would have to bring his case before a magistrate, as it was civil matter.

The Y. M. C. A. Regulars, of Washington, journeyed to this city Saturday and defeated the five representing the Alexandria Social Club before a large crowd by the score of 44 to 24. The game was exciting throughout, many spectacular plays being made.

At the end of the first half the score stood 15 to 15, but the Washington boys started off with a rush in second half and were never headed. The Alexandria team will play Epiphany next Saturday.

FIRE LAST NIGHT.

About 9 o'clock last night a frame house occupied by a colored man named Isaac Gibson, between Royal and Pitt streets, and in the extreme northern section of the city, was found to be burning. An alarm was sounded and the department responded, but the work of the flames being so rapid the structure was soon consumed.

NEWS OF THE OLD DOMINION

AGAINST SUNDAY SELLING.

Judge Southall Makes Adverse Ruling Toward Appeal.

Richmond, Va., Dec. 22.—After having the case under consideration for about four months, Judge Robert Southall, of the Chesterfield Circuit Court, has rendered a decision upholding Magistrate Cheatham, of Swansboro, in imposing a fine of $5 each upon three of Swansboro's merchants for keeping their stores open and selling confections on Sunday.

On August 18th, this year, J. W. Milby, B. M. Roberts, and Washington and Early, who conduct stores in Swansboro, were fined $5 each by Magistrate Cheatham for selling confections the previous Sunday.

The merchants desired to make a test of the law on this point, and, through their attorney, J. M. Turner, noted an appeal to Judge Southall, The appeal was presented several days after the fines were imposed.

During the time Judge Southall has had the appeal under consideration the stores have been open every Sunday.

Under the law Magistrate Cheatham can impose a fine for each and every offense, as his ruling was upheld. He now has the matter in mind, but will come to no conclusion for a few days, as it is probable that the defendants might carry the matter to the Supreme Court.

ELOPERS WIN AUTO RACE.

Mother With Chief of Police in Fast Car Too Late.

Suffolk, Va., Dec. 22.—With Chief of Police Brinkley and her mother, Mrs. William A. Outland, of Isle of Wight county, wife of a wealthy farmer, right behind her in a speeding automobile, Miss Naomi Outland, the pretty 17-year-old daughter of William A. Outland, and her fiance, Jesse Babb, in another fast car, dashed 30 miles over rough roads from Suffolk to Corapeake, N. C., last night and were married just as her mother drove up.

Mrs. Outland and her daughter came to Suffolk on a shopping tour Saturday and the mother, suspecting something, watched the girl every minute. At midnight, when in the Virginian Railway station waiting for their train, the girl complained of the bad air and walked to the door. Babb was there with an automobile and in a second they were on the way to North Carolina, a license having already been procured.

The mother lost no time securing another car and Chief Brinkley, and the race was on. Justice Jones, of Corapeake, was waiting and as Mr. and Mrs. Babb turned toward Suffolk Mrs. Outland rode up.

At first the bride hid under the automobile robes, but was pulled out and forced to face her irate mother. A sort of truce was patched up and the cars came back to Suffolk. The lovers afterward went on to Baltimore.

HE KILLED WOMAN.

Horrible Murder in Russell County Last Week.

Lebanon, Va., Dec. 22.—One of the most horrible murders ever perpetrated in this county occurred at the mining camp of the Clinchfield Coal Corporation at Dump's Creek, near here last week. A man by the name of Annis, went to the home of John Hammond, where Mrs. Hammond was lying in the bed with her 8-year-old son, dragged her from the bed, and in spite of the protestations of her son and herself, shot her three times, killing her. There was no motive for the crime, and a good many of the surrounding circumstances show insanity on the part of the prisoner. It is stated that her husband arrived a few minutes after the killing and said if he had a pistol he would kill Annis, and Annis calmly handed him his own pistol and told the husband to shoot, waiting with folded arms. The husband fired at him two or three times, but missed, and the murderer calmly went back to his home and went to bed, where the officers found him. He stated that he had nothing against the woman, but that something told him that she had killed several people and for him to kill her, and that he had no regrets for the deed. He is now in jail here awaiting trial.

DRUGGED IN CAR.

Traveler Rides And Drinks With Negro in Richmond.

Richmond, Dec. 22.—That he got off a train from Norfolk in Richmond late Friday night and got into a cab driven by a negro, who after driving a few blocks allowed another negro to get into the cab as a passenger and that the negro passenger gave him a drink of whiskey that made him insensible and then robbed him of $187, is the odd story told to the police Saturday by Watson Clark, of Norfolk.

Clark said he woke up in Byrd park this morning and that he found that his money had been taken from him during the night. Between the time of taking the drink with the negro and of waking up he remembered nothing, he said.

He told the police that he entered the cab, telling the driver to take him to a first-class hotel. After the carriage had driven a few blocks it stopped and a negro got in with him, in spite of his objections. The negro had a bottle of liquor and offered him a drink, which he said he took. He thinks the whisky was 'doped,' for his senses soon after departed.

Though Clark could give the police no description of either negro, he declares the cab was drawn by a bay and a black horse.

Man Tells Policeman He Fears He Will Commit Suicide.

Petersburg, Va., Dec. 22.—James W. Johnson, a man of good appearance, intelligent and neatly dressed, walked into the police station a few days ago and asked to be taken care of as a protection against himself. He was in a highly excited mental condition and stated that he feared doing himself personal injury, having a desire at times to end his life, and at other times to take things that did not belong to him.

Physicians were called and upon examination found that his mental condition was the result of a serious nervous breakdown. A commission was called and Johnson was committed to the state hospital at Williamsburg for treatment.

Johnson is an Englishman from Bradford, Yorkshire, England, where his mother resides now. He is a tailor by trade and has no relatives in this country. He came to America in 1883 and has been living in Petersburg for some months.

S. A. CUNNINGHAM DIES.

Editor of the Confederate Veteran Passes Away.

Nashville, Tenn., Dec. 22.—S. A. Cunnigham, editor of the Confederate Veteran, died here Saturday night after an illness of several days. He was widely known among veterans both of the Union and Confederate Armies.

Mr. Cunningham's death was due to a series of hemmorhages of the nose. He has been in a serious condition since Wednesday when he was found in his office unconscious from loss of blood. He rallied momentarily next day, but later suffered several recurrences of the hemorrhages. He was 70 years old.

TOOK SAFE FROM EXPRESS.

Hampton Burglar Got $300 in Cash And Jewelry.

Newport News, Va., Dec. 22.—Robbers a few nights ago broke into the office of the Adams Express Company in Hampton and carried away an iron safe containing about $300 in cash and a number of packages containing jewelry said to be valued at several hundred dollars.

The express office is located in the railway depot on the edge of the town, and the robbers broke open a window through which they carried the safe—a small affair—without being observed.

Detectives found the looted safe in a deserted building Friday, but all of the valuables were gone. Officials of the company refuse to discuss the robbery or give out the value of the stolen jewlery.

THE ADVENT OF CHRISTMAS DAY.

Christmas bells will soon be in the air again, and within the next forty-eight hours households will be busy in arranging everything for the morrow. In most of the churches yesterday Christmas music was rendered and sermons appropriate to the season delivered.

While the great mass of the community will, as usual, celebrate the day in one way or another, the approach of this greatest of all holidays has so far, been marked by quietness and conservatism. In the olden times several days before the advent of the 25th of December carousals were indulged in by many which were not brought to a close until the advent of the New Year. But times change and the people change with them. The propaganda which has been in progress many years toward bringing about a safe and sane observance of the day upon which the anniversary of the birth of the Prince of Peace is celebrated is producing satisfactory results, and the noise and din of former times does not characterize Christmas in the Twentieth Century.

The obliteration of explosives and other senseless accompaniments of the season in most cities in the country has brought about conditions over which the great mass of the world rejoices, and persons of quiet natures are not now rendered miserable on Christmas by ear-splitting explosions or jostled by drunken and disorderly men.

The present law of Virginia makes it a misdemeanor for any person to sell or distribute intoxicants on Christmas Day, which has tended to minimize disorder on the occasion.

It is hoped that, while an opportunity will be afforded all to enjoy themselves, nothing will occur to mar the joyous occasion.

APPEAL REFUSED.

James Steep, of Buchanan, Must Serve Term for Selling Liquor.

Richmond, Dec. 22.—An appeal was refused by the Supreme Court of Appeals Friday in the case of Jas. Steep, convicted in Buchanan county of selling liquor without a license, and sentenced to a fine of $100 and to serve thirty days in jail.

The Supreme Court judges declined to interfere with the sentence, and the convicted man must serve his prison term.

An appeal was also refused in the case of G. W. Rimmer against A. M. Kiser and others, from the Circuit Court of Buchanan county, involving a claim for $303.03.

Judge E. S. Turner of Warrenton, is visiting in Alexandria today.

CANNOT GIVE ONE-THIRD.

Demands of Educational Institutions Far Exceed Receipts.

Richmond, Dec. 22.—Applications for money approximately $1,900,000 in excess of the ordinary annual maintenance charges of the departments and institutions of the State have been made to the Senate Finance Committee for enlargements and betterments. After a week of almost continuous hearings, the committee adjourned Saturday to meet on January 6. Auditor Moore has reported to the committee that if present sources of revenue are retained, the State may safely appropriate $650,000 in excess of the actual maintenance items. It will be seen, therefore, that under the most favorable financial conditions, the requests of schools, hospitals and other institutions will have to be cut to one-third of the amount they have asked, while if substantial changes are made in the license or tax laws of the State, still further pruning of the items will be necessary.

Members of the committee have expressed themselves as opposed, under any conditions, to an appropriation bill which will exceed the fairly anticipated revenues, or which might bring on a deficit, similar to that created by the liberal appropriations of the session of 1908.

Superintendent McConnell, of the State Normal and Industrial School for Women at Radford, presented the claims of that institution Saturday.

For the first fiscal year covered by the appropriation bill, he asked; for a new dormitory, $80,000; for a powerhouse, $12,000; for equipment of the administration building, $12,000; for an artesian well water system, $6,500; for laundry, $4,000; for furnishing the dormitories, $15,000. For the second year of the appropriation period, the Radford school asks $80,000 for another dormitory building, and $10,000 for furnishing and equipment, making a total of $219,500 for betterments. For annual support Dr. McConnell wanted $35,000 a year.

Several members of the committee made the point that they would object to further hearings, either when the committee meets again to draft its bill, or during the session of the General Assembly, on matters which have already been presented, or which might properly have come before the committee during the past week. The meeting is called for one week before the General Assembly convenes. The sessions will probably be "executive," in order that without outside interruption, the committee may go right through the bill, item by item, and have it ready for presentation to the Senate on January 14, in accordance with the terms of the Folkes resolution. Members of the committee and its employes were paid yesterday at the per diem rate fixed for their services while the General Assembly is in session.

SPANKS 35-YEAR-OLD SON.

Philadelphia, Dec. 22.—John H. Graham, aged fifty-six, was arraigned at the Germantown Station yesterday on the charge of spanking Elwood Graham, his son, aged thirty-five, so violently that the latter had to go the Germantown Hospital for treatment. According to the police, Elwood was spanked for attending the movies, tangoing and keeping late hours.

At a Corporation Court of the City of Alexandria, continued and held at the Courthouse of said city, on Monday, December 22nd, 1913.

Present, Hon. Louis C. Barley, Judge.

Charles Blanding, Vs. In Chancery.
Mary Blanding.

Upon the application of the complainant stating specifically the last known place of residence of the defendant, the Court on this 22nd day of December, 1913, doth grant the following order of publication:

The object of this suit is to obtain an obsolute divorce by the said Charles Blanding from Mary Blanding on the ground of adultery and for general relief.

An affidavit having been made and filed that the defendant, Mary Blanding, is not a resident of this State and that she has not been found within the jurisdiction of this state, that process has been returned not executed by the City Sergeant it is ordered that she do appear here within fifteen days after due publication of this order, and do what is necessary to protect her interest in this suit.

And it is further ordered that a copy of said order of publication be published once a week for four successive weeks in the Alexandria Gazette a newspaper published in the city of Alexandria, Va., that a copy be posted at the front door of the Court House of the said city on or before the next succeeding rule day after this order is entered, and that a copy of said order of publication shall be sent by registered mail by the Clerk of this Court addressed to the said Mary Blanding, the said non-resident defendant at the City Jail, Bridgeton, New Jersey, her last known place of abode.

NEWS OF THE DAY.

A man described by the Journal of the American Medical Association in its issue yesterday as "J. R. P." a sailor on the United States battleship California, swallowed a feather and he [illegible] gin. The navy surgeon describes the case in a treatise on "unusual combinations which produce appendicitis." Some [illegible] the sailor ate a piece of chicken that gave him a peculiar sensation at it passed from his mouth to his stomach. At the time it occurred to him that he might have swallowed a feather, because whatever he ate tickled him so that he couldn't resist laughing. The tickling became more marked and finally it developed into acute pain. The sailor underwent an operation and inside the appendix was found the feather.

The fire which started in the semaphore tower of the dock yard at Portsmouth, England, Saturday evening, was not subdued until early yesterday morning. The damage is estimated at about $5,000,000. Many historic documents dating back to the days of Nelson, were destroyed in the semaphore tower and the dreadnought Queen Mary was threatened with destruction by falling sparks and had to be towed out of the danger zone. Two men are reported missing.

Virginia Vaughan, one of the few surviving writers of the old school poet, novelist, translator, friend of Thackeray and Owen Meredith, companion of the Brownings and Fanny Kemble in Italy, and heroine of a secret romance which kept her a spinster through her life of eighty-one years, was killed by a trolley car in New York yesterday. At the time of her sudden death Miss Vaughan was on her way to dinner at the home of a friend, Dr. B. A. Hollenberg. She stepped from behind an automobile directly in the path of a trolley car, which threw her to one side. She died in an ambulance on her way to the hospital.

Solemn pageantry and expression of deep grief yesterday attended the funeral services for the late Cardinal Rampolla in St. Peter's Cathedral, Rome. The funeral even eclipsed that of the late Cardinal Oreglia, dean of the Sacred College. The mighty cathedral was thronged and it seemed that all of the Roman Catholics in Rome had turned out, so great was the crowd. The body was conveyed from St. Peter's to the vatican cemetery, where another brief service was held, after which it was buried in the Campo Santo of the Church of St. Cecilia.

WIRELESS FROM TRAIN

Uninterrupted Conversation Also Carried on While Cars Are Going Through Tunnel.

Scranton, Pa., Dec. 22.—A passenger aboard the Delaware, Lackawanna and Western train from New York yesterday was met at the station by a Scranton friend whom he had summoned from the train by wireless telegraph and telephone relay.

The message was sent from Cresco to the Lackawanna wireless station here and relayed by telephone to the home of the passenger's friend. The reply "I'll be there" was transmitted as the train was passing through Tobyhanna.

The distance from Cresco to Tobyhanna is 13 miles and the running time of the train for the distance is 15 minutes.

From the same train an uninterrupted conversation was carried on with Scranton while the train was passing through a long tunnel.

There was also awaiting the arrival of the train a morgue wagon summoned by wireless message "to take charge of the body of a passenger who had dropped dead."

It so happened, however, that the wagon was not needed. The passenger merely had a fit and after being supposedly dead was resuscitated.

"Traffic in Souls" Will be Shown in Washington Tonight.

In defiance of the police and of the board of censors, "Traffic in Souls," the moving picture film banned Sunday by the board of police censors, will positively be shown at the Belasco Theater this evening, acording to the statement of Henry E Davis, counsel for the theater.

"I have told Mr. Taylor to go ahead and put this film on," said Mr. Davis, "and I am sure he will do so. If the police then want to interfer it is beyond us. I have personally viewed the film and it is all right.

"The action of the censors board was a high-handed piece of business and unwarranted. I expect to have conferences today with Major Sylvester and with the Corporation Counsel. It is absurd to have absolutely unqualified persons pass snap judgment on a thing of this kind."
